Tideland Deal Is Completed

MOTHER MUST REMAIN AWAY FROM RESORTS FOR 180 DAYS

"Roadhouse lane," that thoroughfare from the County Line to Stege Junction, with its sordid, lawbreaking and riotous habitues, was responsible for a mother and her fourteen-year-old daughter appearing before Police Judge Hiram Jacobs last night.

The mother was Mrs. Cora Miller, 119 Contra Costa avenue.

The girl is Miss Meva Miller, her minor daughter.

The two were taken into custody on charges preferred against Mrs. Miller by Humane Officer D. W. Calfee. According to the charge, the Miller woman with her unsophisticated daughter is alleged to have been a nightly figure at the various dives. This according to Calfee has been going on for eighteen months. The mother thought nothing of the matter and became quite indignant when hailed into court. The girl—a slender dark eyed creature, believed she was having the time of her young life and had often flaunted her nightly carousals at her girl companions.

According to testimony which the mother gave, she and her daughter had been in the habit of taking in all of the resorts from the County Line to Sullivan's at Stege Junction. She even told of having visited the Chateau.

Most of the story which the Miller woman told was of a very sordid character.

Witnesses subpoened for the case informed the court that the Miller woman had been intoxicated on numerous occasions while at the resorts. She admitted that she had six children. Her oldest boy she said was a good boy and at work at the present time. The other five children will be taken from her and placed where they will receive proper attention, according to Calfee.

Police Judge Jacobs placed the woman on probation for 180 days. If during this time she frequents a resort, she will have to go to jail.

Chief Walker when asked for information about the case gave his usual statement:

"I don't know anything about it."

COUNCIL WILL CONSIDER NEW LICENSE TAX

City Attorney D. J. Hall and the city council in special session tonight will arrange for the adoption of a new business license tax. The exact date when the tax shall become effective will be decided by the council.

The revised ordinance which Hall will submit to the board this evening follows a meeting several weeks ago with officers of the Richmond Merchants' association at which time grocers, butchers, bakers, druggist, haberdashers and newspapers were listed as exempt from a license tax. Those who will pay a city license tax under the new ordinance are theaters bowling alleys, junk dealers, second-hand stores, circuses and carnivals.

SAILOR SPEAKS AFTER COMA OF SEVERAL DAYS

Doctors, trepanning the skull of Frank Laino, a sailor, hit by a heavy railroad tie several days ago, restored him to consciousness last night. A piece of skull which had been shattered by the blow and pressing against the man's brain was removed. Laino was hit at the Ferry Point wharves Tuesday. The blow rendered him unconscious in which state he remained until the operation last night.

This morning a nurse attending the man was surprised to hear him speak to her. The operation was performed by Drs. C. L. and U. S. Abbott at the Craven hospital.

As a result of the additional rural route, which is approximately six miles, the carrier, D. A. Parker, will receive an increased salary of $1152.

According to the local postal authorities the petition from residents at Pullman for a branch station has been denied.

BERMUDA HIGH OR STRAIGHT COAL OIL?

Which would you prefer,—a Bermuda High" or straight coal oil?

The "Bermuda high' according to the weather prophets is going to hit Richmond in a very few days. Instead of a highball or fizz it is a heat wave.

Translated, that means a great area of high pressure air has been massing off Bermuda for the last month and now has let go with full power from the Atlantic seaboard to the Pacific coast.

For weeks, it has stood like a solid wall against heated currents trying vainly to move out of the interior over the ocean and now as it swirls rapidly along it is gathering heat and moisture from the tropics and sweeping them northward over the continent into the vacuum of so-called "low pressure areas." Although its greatst intensity has not yet struck the Pacific coast, it is expected to do so within the next few days.

BAY COUNTIES LAND CO. MUST DO $60,000 INNER HARBOR WORK FOR CITY

More than $200,000 in city improvements hinge on an agreement pending between the city council and the Bay Counties Land Company which may be settled Monday night.

Representatives of the city and the Bay Counties Land company held a conference yesterday at the law offices of Fizgerald & Abbott in Oakland. The conference ended with the following propositions offered:

That the city of Richmond construct a bulkhead in the inner harbor.

That for this work the Bay Counties Land company deed 100 acres in one portion of their tract and 26 acres in another portion to the city.

That the Bay Counties Land company improve Tenth street south to the waterfront, making the thoroughfare 100 feet wide.

That the Bay Counties Land company do 200,000 feet of dredging.

That the Bay Counties Land company give the city an easement over Tenth street for a proposed sanitary and storm sewer to empty into the inner harbor.

According to City Attorney Hall, the above propositions have met with a favorable attitude from the land company and the agreement will in all probabilities be settled Monday.

The controversy between the city and the Bay Counties Land company has extended over a period of sevral years. The company was the first to make a proposal to the city which was thought too exacting by the city officials. A proposal was then made by the city to the Bay Counties Land company. The latter it is said will solve the tideland improvements.

TOMORROW IS LAST DAY TO REGISTER--DO IT NOW

Can you vote at the August primary for United States senator, congressmen and members of the legislature?

You can't unless you are registered as belonging to some party, for the non-partisan law of California has been held up under referendum and its action suspended.

In order to vote at the primary election in August—which is highly important, as it is then that nominations are made—you must give some party affiliation. Of course, at the general election in November, no matter how you are registered, you can vote as you please.

July 29th is the last day for changing your registration. All that is necessary is for you to go before a deputy of the county clerk and sign an affidavit. If you declined to state your party when registering, you must do so now. Don't delay, but attend to this important matter at once.

Go today and qualify!

James Crockett, former Mundell detective, former Municipal motorman, and former guard in the Pacific Gas and Electric strike, today told the police he saw Warren K. Billings, bomb suspect, on the roof of the Ferry inn, opposite the building at which Saturday's bomb was exploded, a short time before the explosion. Crockett was taken to headquarters by William Mundell, head of the Mundell Detective Agency. He identified a brown, hair lined coat, found in Billings' room, as the one worn by Billings Saturday. He said he had known Billings since the latter was on trial in Sacramento for carrying explosives in a suitcase, for which he was sent to Folsom. District Attorney C. M. Fickert said today Mrs. Rena Mooney had been partially identified as a woman seen with a suitcase before the bomb outrage. "The Boy is Father to the Man"

is an axiom that applies the more forcefully to inherent characteristics.

The "Saving" Habit!

is as natural with some boys as the "spendthrift" habit is with others. It develops early in life, and its sequence in maturer years is aptly presented in this drawing!

Saving and Success!

editor and proprietor of the "Contra Costa Gazette" and the "Daily Gazette" is a candidate for the Republican nomination for

State Senator

from the Ninth district, comprising Contra Costa and Marin counties.

Mr. Rugg has never weakened in his loyalty to the party that has always had its rule signalized by prosperity. By virture of his ripe experience as a newspaper publisher, he has gained a very comprehensive knowledge of public affairs and is therefore well qualified to intelligently perform the duties of the office, for which he is a candidate.

Mr. Rugg stood firmly for Marin county's right to name the Republican candidate for the next senatorial term, but upon the withdrawal of such candidate and at the request of Marin county Republicans, he consented to enter the contest as an ever and always loyal and consistent Republican.

"I HAD $5 TOWARD A SUIT, HARRIET"

"—AND SEE THE BEAUTY I BOUGHT!"

"What was the use of waiting to save any more money, when I had plenty already for the first payment on a lovely woolen suit at CHERRY'S? The reason I was in such a hurry was on account of the Sale Cherry's shop is having. I was afraid I might miss getting my size in one of the handsome suits they're selling now at only $19.50—and I certainly didn't care to take any chances!

"Isn't this a distinctive, clever style, Harriet! And there are many just as up-to-date and desirable in the same special $19.50 assortment. Why don't you go and look at them today?

"You'll be crazy about them, I know, and you'll like the charming little Silk Waists that are reduced (and very greatly reduced) to $2.95. Oh, and Furs, Harriet!—luxurious red and white fox sets. CHERRY'S sell them ON CREDIT. Isn't that splendid?

"You won't have a bit of trouble finding Cherry's. They have their men's shop located at 528 13th St., and their women's, across the street at 515 13th street, Oakland.
